Re: Year 7 Arete Residential

Dear Parents/Carers

We are in a constantly changing environment at the moment with much uncertainty about schooling in general. We are within a 30-day window of the planned residential trip taking place and following guidance regarding COVID-19, we feel that the only option is to cancel the trip and I'm sure you will be relieved. I understand that we are close to the due date, but if we had acted sooner, then there would have been a potential for the school and yourselves to lose money.

The school is in the process of claiming a refund for the deposits from our insurance company and as and when we hear any further details, we will contact you again. I would also like to thank you for your patience within this matter as it could take some time before we are in a position to return monies in a safe fashion, but please do not come into school.

If you have any further concerns, please do not hesitate in contacting the school using either the phone system or emails.

Stay safe and well

Mr. J Colclough  
Deputy Headteacher
